Background

The Florence range was introduced to offer exciting and youthful blends that can be enjoyed regularly. The range was named after the only granddaughter of Marianne & Fons Aaldering, Florence. From the Latin name Florentius or the feminine form Florentia, which also means "prosperous" and "to blossom".

Tasting Notes

Two wines to combine, elegantly, balanced and fine. Aromas of citrus and apple tart, is embedded like a fine art. The one has slight wood, praised by the other's fruit...

Winemakers Note

For this vintage I choose to blend these two noble varieties to perfection. The Cabernet Sauvignon must be seen as the backbone in this wine, the Merlot is the female partner.

Aging Potential

Enjoy right now or age up to 5-7 years. Bottled with a natural agglomerated cork in order to ensure a flawless aging capacity. Ideal serving temperature between 16-18°C/61-64°F.

Food Matches

This versatile wine pairs well with Foie Gras and Sauternes.
