Estate: Aaldering Vineyards & Wines
Origin: South Africa
Region: Stellenbosch
Variety: Pinotage (100%)
Vintage: 2018
Website: www.aaldering.co.za

Tasting Notes

Terroir reflects on the taste, no glass will be left to waste. You will embrace the petal of a rose, layered gently on this pale wine's nose. Strawberry dewdrop from a finger, with crispy watermelon to linger...

Vineyard Notes

Clone PI48A
Rootstock: Richter 99
Altitude: 110-160m above sea level
Hectare 4.37
Soil: Decomposed Granite (Hutton, Clovelly Soils)
Orientation: South East Facing
Planted 1998

Winemaking Report

2017 was a cool dry year with long winter nights. This ensured a longer ripening which adds to the minerality and finesse to this vintage. The drought caused the vine to push its roots deeper in search for water which will be an overall benefit to the future.

Aging Potential

Enjoy right now or age up to 3 years. Bottled with a natural (pressed) cork, in order to ensure a flawless aging capacity. Ideal serving temperature between 10-12°C.

Food Matches

The ideal wine to drink with tapenade or a salade Niçoise, a paella or grilled chicken, fish or lamb with herbs. Or simply as an aperitif, not only in summer, but throughout the year.

Technical Analysis

ALC: 13,5% RS: 3,0 g/l TA: 7,0 g/l pH: 3.14
